

## 2014 CHILDREN'S SUMMER READING PROGRAM @ the LIBRARY

Hey, kids!

Know what happens if you go all summer without reading?

Your brain turns into **slime!**

Well, not really,

but research shows that you may lose some of the hard work you put into it this year.

So here's a fun and rewarding way to keep that from happening!

Join the 2014 Children's Summer Reading Program at the Library!

The theme this year is: **FIZZ! BOOM! READ!**

Grab your lab coat and goggles and let's get experimenting!

**REGISTRATION** starts Thursday, June 26th.

(Registration is required in order to participate in the Reading Raffle.)

---
