

As we look ahead at needed supplies for our Kindergarten students, we have prepared this list. By providing this to families early, we hope you will have the opportunity to use the school sales to gather these items. Thank you for helping your child to collect these items. These supplies will be used by all of the children; they do not need names on them, nor individual pencil cases to store them. Thanks for your help.

- One package of 3x5 index cards
- Glue sticks
- Two pads of post-it notes (any size)
- Two pocket folders for homework, organization and sorting of class work, and such
- One box of ziploc gallon size bags
- One 4- pack of playdough (if possible Play-Dough© brand)
- One package of dry-erase markers (thin- low odor if possible)
- One package of pencils (prefer No. 2 Ticonderoga)
- A complete change of clothes for those rainy days, messy art projects, and occasional bathroom accidents

We are looking forward to a great Kindergarten year,

The Kindergarten Team
