## Student/Parent Portal

5th grade and new middle school parents will be receiving parent portal access information by US mail if they did not already pick it up at open house. Other middle school parents may contact their student's homeroom teacher for questions regarding the portal and their account.

### **Calling all parents!**

On October 4, 2016 we will be having our biennial School Approval review in the afternoon. The Department of Education will be visiting our school and would like to speak to parents about Ellis School. We are looking for 4 parents who would like to meet with them for about 45 minutes.

Please contact the Main Office at 895-2511 if you are interested.
