

SCIENCE CLUB 2014

Sign-ups are being accepted for the Ellis Science Club for 3rd, 4th and 5th Grade now through April 4th.

If interested in joining, please fill out the form attached and return it to Mrs. MacEachern (office) by Friday April 4th. If I have too many forms I will pick the ones that signed up first. If your son/daughter is selected you will receive a phone call from me.

Science Club Sessions

3:05 – 4:05

Thursday, April 10, 2014 – “Designing a Mast” (Distance = rate * time)

Tuesday, April 15, 2014 – Atmospheres and Other Planets – Learning/Discovery

Thursday, April 17, 2014 – “Building a Parachute” (Data collection)

Thursday May 1, 2014 – “Parachute Data Analysis” and “Building a tower with index cards”

Tuesday May 6, 2014 – Learning about plants – design a puzzle

Thursday May 8, 2014 – Plant a “BEAN” for our “designed puzzle” to take home

What are we going to do?

During the science club time students will be given a challenge. They will be required to make a plan, execute a plan and perform an experiment. The topics are based on science and engineering standards.

What are the expectations?

1. Arrive and be ready to participate
2. Show respect for everyone in the club
3. Be a helper, a leader, and be cooperative

Please plan to arrive in a line in your car in the front of the school **at 4:00pm** sharp. I will come out with the children **at 4:05** and direct them to your car. It is very important to be on time. Thank you in advance. If your child will be going home with someone else, please send in a note and have your child give it to me at the club.

Mrs. MacEachern
8th Grade Math Teacher
